Ordering Information for *New Bridges* Materials

for U.S.A. residents

Q: Can I buy a printing license to print my own books?

A1: If you have never used *New Bridges* books in the past, no.

A2: If you have a large church or community English program and you have used our *New Bridges* books in the past, tell us how many student books or lessons from student books you want to print during a 12-month period of time. We'll make a deal with you and allow you to purchase a printing license. Request the price list for licenses.

Q: Can I sell the materials?

A: Yes. You can sell the student books at fair market value. If you purchased teacher's editions, the *Teacher's Resource Pack*, *Conversation Cards*, and/or *Game Cards* from us as hard-copy materials that we printed, you can sell those to other teachers at a discount from your original purchase price.

Q: What are the Conversation Cards?

A: There are *Conversation Cards* for Books 1-4. Each set of *Cards* includes 20 business-size cards per lesson of that book level which you can use to review the materials with your students after each lesson.

Q: What are the Game Cards?

A: This is a collection of 27 card games: one extracurricular game for each Book 1 lesson and a few additional games for Books 2-5.
