

Ordering Information for *New Bridges* Materials

Frequently Asked Questions

Q: *Can I purchase a license and print my own books if I teach in the United States?*

A: No. If you would like to request an exception, send your request to Chérie Rempel, the *New Bridges* Project Director < books.kiteb@gmail.com >.

Q: *How long is a license good for?*

A: 1-2 years.

Q: *What does a license encompass?*

A: A *New Bridges* license permits the license holder to print and sell a certain number of *NB* student books. Each license holder can print one (1) of each *Teacher's Edition* for their own use.

Q: *Can I sell the books?*

A: You may sell the student books at fair market value. If you print your own materials, you may *not* sell the *Teacher's Editions*.

Q: *Can I use the books I print after my license expires?*

A: Yes. There is no time limit on when the books can be used.

Q: *What do I do if I need to print more books than my license allows?*

A: Upgrade to the next type of license and pay the difference.

Q: *Can I purchase one license for two or more teachers?*

A: No. Each teacher must have his/her own license, even if it is a Group License.

Q: *What is a Group License?*

A: Group licenses permit organizations to provide *NB* materials for their teachers anywhere in the world. A group license is based on the number of teachers using *NB* materials and the *average* number of student books each teacher wants to print.

Q: *Are the licenses transferable from one teacher to another?*

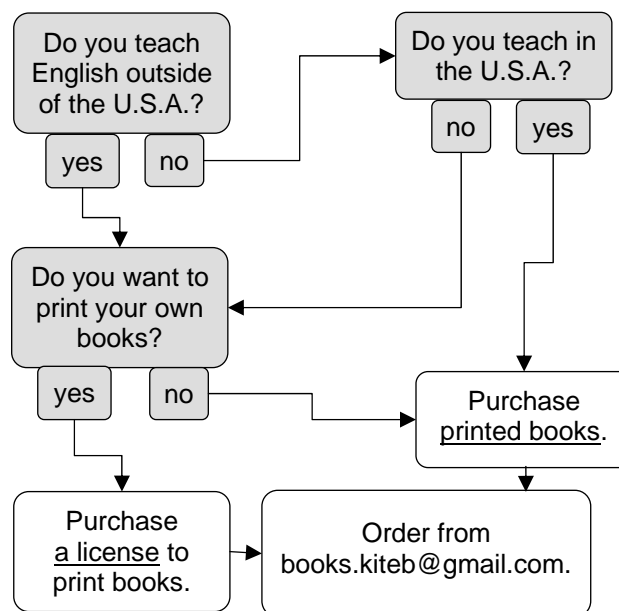

A: Yes. If teacher "A" stops teaching, teacher "B" may have or buy "A"'s license at a pro-rated price. "A" may sell the student books to "B" at fair market value. "A" may give but may *not* sell the *Teacher's Editions* to "B."

Q: *What are the Conversation Cards?*

A: There are 20 business-size cards per lesson that you can use to review the materials with your students after each lesson.

Q: *What are the Game Cards?*

A: This is a collection of 27 card games: one *extracurricular game* for each *Book 1* lesson and a *few additional games* for *Books 2-5*.
