New Bridges: Connecting People Through Language and Culture
© 2007-2009 Interlink Resources International

The *New Bridges* project is the development of English language materials which are designed for teaching English to adults in Northern Iraq. They are presently being used by NGO workers in over 25 countries. Customers may purchase either printed books or a license to print their own books on the field.

We are thankful for the sales and donations which have helped us pay for this project so far, but we still need about \$55,000 to complete the project.

All proceeds from sales of books and printing licenses and from donations to this project are being used to pay for the *New Bridges* project. (We paid the authors and artist. Chérie Rempel and her team of editors and book store manager work as volunteers.)

Donations to this project (checks or money orders) should be addressed to Interlink Resources International and mailed to the address below. You will receive a tax-deductible receipt within 3-5 weeks.
