

Ordering Information for *New Bridges* Materials

Q: What does a license encompass?

A: A *New Bridges* license permits the license holder (an individual or a school) to print a certain number of *New Bridges* student books, teacher's editions, and *Teacher's Resource Packs* during a 12-month period of time.

Q: How much does a license cost?

A: Use a calculator and the table on the next page to determine the cost of the license. Minimum purchase: \$50.

Q: Can I sell the books and cards?

A: The license holder can sell the student books at fair market value. The teacher's editions, the *Teacher's Resource Packs*, *Conversation Cards*, and *Game Cards* canNOT be sold, but they could be given away to another teacher.

Q: Can I use the books and cards I print after my license expires?

A: Yes. There is no time limit on when the books and cards can be used.

Q: What do I do if I need to print more books than my license allows during the 12 months?

A: Send us an email with your request for X more books. We'll send an invoice and you can print the books after we receive your payment and send an upgraded license. With your annual order each year, you can get a cumulative 5% discount if you answer some survey questions for us (up to 50%)!

Q: Can I purchase one license for two or more teachers?

A: Each school needs to buy only one printing license. The cost of the license is determined by how many *Teacher's Resource Packs*, student books, teacher's editions, *Conversation Cards*, and *Game Cards* you want to print in a 12-month period of time.

Q: I'm a returning customer but I want to add a teacher at our school. Do I need to purchase another license for the new teacher?

A: No – see the answer to the question above. However, if you use the *Teacher's Resource Pack* in your school, please purchase another TRP license for the new teacher. We ask that each teacher who uses the TRP have their own copy. If the new teacher needs a teacher's edition, you can purchase and print another teacher's edition.

Q: Are the licenses transferable from one teacher to another?

A: Yes. If teacher "A" stops teaching before the 12 months are up, teacher "B" may have or buy "A"'s license at a pro-rated price. "A" may sell the student books to "B" at fair market value. "A" may give but may *not* sell the teacher's editions, TRPs, CCs, or GCs to "B."

Q: What are the Conversation Cards?

A: There are *Conversation Cards* (CCs) for Books 1-4. Each set of *Cards* includes 20 business-size cards per lesson of that book level which you can use to review the materials with your students after each lesson. These are available as free PDFs when you purchase a teacher's edition or as hard-copy cards.

Q: What are the Game Cards (GCs)?

A: This is a collection of 27 card games: one extracurricular game for each Book 1 lesson and a few additional games for Books 2-5. These are available as PDFs or as hard-copy cards.
